TODAY'S NEWS

Good Morning, Skiers and Riders! Mother Nature has dropped another two inches of new snow on the mountain overnight! With our high elevation and expert grooming team, we'll be sporting some of the finest snow surfaces in the Lake Tahoe Basin today. We're currently experiencing a power outage in Nevada this morning, so we'll start the day strictly on the California side with 11 lifts and 23 trails. Winds may impact lift operations this morning, so please call 1-800-HEAVENLY or check skiheavenly.com for the latest. Sky Express is currently on wind hold but winds are expected to decrease throughout the morning. Enjoy powder, packed powder and machine groomed snow today! Lifts open at 9:00AM!
